

**Whole Person Care Intern
Summer Internship in Various Cities in San Mateo County
LifeMoves**

Position Title: Whole Person Care Intern

Main Location:

- One position: Various cities in San Mateo County

Time Commitment:

- **10 weeks: June 11th – August 17th**
 - Flexible scheduling

Position Details:

Work with LifeMoves Whole Person Care team to connect high need chronically homeless individuals to the health care system in San Mateo County. This position requires an individual who is prepared to go into encampments, make contact with homeless individuals, and create case plans to best serve clients in working towards a goal of self-sufficiency. There will also be collaboration with San Mateo Medical Center staff when receiving referrals for the LifeMoves Location Services Program.

Primary Responsibilities Include:

- Establish great communication skills with both homeless individuals and community partners
- Support the Whole Person Care Case Manager in establishing individual case plans, building relationships within community, and making follow-ups to ensure that case plans are being met
- Research and gather information on different programs throughout the county that could fit the needs of LifeMoves clients
- Willingness to, when accompanied by a LifeMoves staff member, go into homeless encampments under freeway overpasses, behind abandoned buildings, or in deserted fields
- Input referrals received by San Mateo Medical Center into online database in a timely manner
- Conduct research for the LifeMoves Location Services Program to locate high need clients referred by San Mateo Medical Center staff

Position Requirements/Preferred Skills:

- Interest in community relationship building
- Strong written and communication skills
- A team-player attitude
- Highly organized
- Proficient in Microsoft Office, specifically, Excel, Word, and Outlook
- Analytical and tech savvy
- Flexibility
- Humor and wit

Learning Outcomes:

- Gain an excellent overview of community relationship building
- Deepen understanding of the term “homeless” through first-hand interaction
- Learn about Social Stratification and its impacts on the local homeless population
- Broaden your cultural competency regarding homelessness and the need for community engagement
- Networking opportunities for career development with LifeMoves and partner agencies

Compensation: Unpaid

Supervisor:

Stephanie Jimenez, Whole Person Care Case Manager
